### III Writing Variant (4)

I like to spend time with my friends. We often hang out on the holidays, and there is many places that we can visit in our town. But I have my favourite, and also special place. This is a small café, which is situated near the train station.

I have visited this café just few days ago, because my best friend Aidana was celebrating her 15th birthday here. This place has a separated room for special guests, and you can have different variations of food and drinks. If you want to. Also, there is a big TV on the middle of the room. It means that you can sing a lot of songs with microphone, or watch a movie while having a delicious meal. I also enjoy the decorations of this place, which includes small lights and mirrors next to the door.

I like this place. Sometimes we just need to spend time with beloved people and be on positive mood. Meeting in this café is a good relax from the everyday routine.
