### Writing (Variant)

I am going to see, a new job it is IT. It is new technology with many computers, but I see many interesting. In this room we can make new details. I think that 3D printer can make everything, 3D printer can do everything from the special plastic. Let's ask a worker, "Do you think IT can be better?" "I think it is the best job but we didn't have a new IT work, if you want to work on the best job in world, we wait you". "OK, thank you". Now we see a new computers, it is best computers in the world. Students can create new programs. If I was a student again, I am learning here. Now we see a new robot, he can talking, dancing, he even can paint. Let's ~~went~~ go a new class, Now I <sup>am</sup> shock, I see the best class. Let's started agree it is the best work and job in the world. Who wanted learn in best university, ~~we~~ We would write us. And we help you. I think it is best job then I saw
