III. Variant 3

What makes a great holiday for teenagers? I think their habits does, or such things those they can't have enough ~~not~~ out of holidays. Someone likes to sleep a lot, other likes to go for a walk with their friends. Somebody like me - likes either to go in for sports out of doors or to stay at home and read or watch something interesting for them, like reading popular Japanese mangas, or drawing interesting things and unknown creatures. In my opinion, it's pretty evident that the things they are likes - makes them happy. And absolutely every thing in this case is personal for everyone. But one thing likes everybody, is to spend time with somebody nice, all teenagers likes to communicate with their best friends or hanging around with their second part. Everybody enjoy what they like.
