The great holiday for teenagers is - being long time with their parents or their friends. Maybe holidays is the best, and it makes teenagers to happy. Every teenagers wants a more time with their parents. Because they are is not children anymore. People in my age want it, being long time with their parents or friends. Maybe travel with parents is a good idea too. And this make us to happy. Teenagers had not have a more time, because they are focused on school or work. My advice to them is stay motivated and focused throughout the school year. In holiday days they want to come to the place what the playing in the computer or etc. But ~~this~~ it is not good, and unhealthy. My advice for them is being long time with their hobby. And stay at home or travel with their family is more healthier than computer game. The best place to visit with family maybe is rivers or mountains and or being in the city. Going to the cinema or art gallery if you like it, it is too good idea. Teenagers or people on my age love it. Being long time with their family or friends. This is the best one. And this is the best holiday.
